

NEW HOMES FOR CITYSCAPE

Tell us how to make these homes an asset for the community at bit.ly/288cityscape

WE NEED YOUR INPUT!

The City of Houston Housing and Community Development (HCDD) will be acquiring and supporting the development of up to 240 disaster-resilient, energy-efficient single-family homes near Highway 288 and East Orem, alongside Cityscape Avenue. This affordable, mixed-income development aims to create new homeownership opportunities for residents.

We need your input to make the best use of the space and build homes that fit into residents' vision for the community.
